## **HIPAA**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires that we notify you about important provisions in the plan. You have the right to enroll in the plan under its "special enrollment provision" if you marry, acquire a new dependent, or if you decline coverage under the plan for an eligible dependent while other coverage is in effect and later the dependent loses that other coverage for certain qualifying reasons. Special enrollment must take place within 30 days of the qualifying event. If you are declined enrollment for yourself or your dependents (including your spouse) while coverage under Medicaid or a state Children's Health Insurance Program (CHIP) is in effect, you may be able to enroll yourself and your dependents in this program if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after you or your dependents' Medicaid or CHIP coverage ends. If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or a CHIP program with respect to coverage under this plan, you may be able to enroll yourself and your dependents (including your spouse) in this plan. However, you must request enrollment within 60 days after you or your dependents become eligible for the premium assistance. To request special enrollment or obtain more information, contact the plan administrator indicated in this notice.

## **HIPAA Notice of Privacy Practices**

The Health Insurance Portability and Accountability Act of 1996 ("HIPAA") requires that we maintain the privacy of protected health information, give notice of our legal duties and privacy practices regarding health information about you and follow the terms of our notice currently in effect.

You may request a copy of the current Privacy Practices from the Plan Administrator explaining how medical information about you may be used and disclosed, and how you can get access to this information. ***As Required by Law***. We will disclose Health Information when required to do so by international, federal, state or local law.

You have the right to inspect and copy, right to an electronic copy of electronic medical records, right to get notice of a breach, right to amend, right to an accounting of disclosures, right to request restrictions, right to request confidential communications, right to a paper

copy of this notice and the right to file a complaint if you believe your privacy rights have been violated.

### **USERRA**

The Uniformed Services Employment and Reemployment Rights Act (USERRA), protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

### **SPECIAL ENROLLMENT NOTICE**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days or any longer period that applies under the plan, after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days or any longer period that applies under the plan, after the marriage, birth, adoption, or placement for adoption. To request special enrollment or obtain more information, contact the plan administrator mentioned above.

### **Reemployment Rights**

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- You ensure that your employer receives advance written or verbal notice of your service;
- You have five years or less of cumulative service in the uniformed services while with that particular employer;
- You return to work or apply for reemployment in a timely manner after conclusion of service; and
- You have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

### **Right to Be Free From Discrimination and Retaliation**

If you are a past or present member of the uniformed service; have applied for membership in the uniformed service; or are obligated to serve in the uniformed service; then an employer may not deny you: initial employment; reemployment; retention in employment; promotion; or any benefit of employment because of this status. In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

### **Health Insurance Protection**

If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military. Even if you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

### **Enforcement**

The U.S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations. For assistance in filing a complaint, or for any other information on USERRA, contact VETS at **1-866-4-USA-DOL** or visit its **website at <http://www.dol.gov/vets>**. An interactive online USERRA Advisor can be viewed at <http://www.dol.gov/elaws/userra.htm>. If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation. You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

### **GINA**

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to any requests for medical information, if applicable. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

## **QMCSO (Qualified Medical Child Support Order)**

QMCSO is a medical child support order issued under state law that creates or recognizes the existence of an “alternate recipient’s” right to receive benefits for which a participant or beneficiary is eligible under a group health plan. An “alternate recipient” is any child of a

Upon receipt, the administrator of a group health plan is required to determine, within a reasonable period of time, whether a medical child support order is qualified, and to administer benefits in accordance with the applicable terms of each order that is qualified. In the event you are served with a notice to provide medical coverage for a dependent child as the result of a legal determination, you may obtain information from your employer; know the rules for seeking to enact such coverage. These rules are provided at no cost to you and may be requested from your employer at any time.

### **FMLA**

Family Medical Leave Act (FMLA) entitles eligible employees of covered employers to take unpaid, job-protected leave for specific family and medical reasons if the employee has been with the company for one year, has worked at least 1250 hours during the prior 12 months and works in an area where there are at least 50 employees within 75 miles. Public agencies as well as public and private secondary schools are covered employers without regard to the number of employees employed. For additional details, visit the Department of Labor [FMLA page](#).

Notify the Company when you have a qualifying leave such as birth or adoption of a child, a serious health condition, to care for a spouse, child or parent with a serious medical condition or for reservist or National Guard provisions related to you or an immediate family member leaving for military duty or being injured in active duty.

If you are on a qualified leave and any of the circumstances pertaining to your leave change, you must notify the company of the change.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

# Health Insurance Marketplace Coverage Options and Your Health Coverage

## General Information

With the key parts of the health care law that took effect in 2014, there is a new way to buy health insurance: **the Health Insurance Marketplace**. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by SYTECH, Inc..

## What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

The Open Enrollment period is November 1<sup>st</sup> through December 15<sup>th</sup> of the year preceding the benefit plan year. Individuals may also qualify for Special Enrollment Periods outside of Open Enrollment if they experience certain events. (See [Special Enrollment Period](#) and [Qualifying Life Event](#))

## Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

## Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.69% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. *Note: For plan years beginning in 2018 the income rate will change to 9.56%.*

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution, as well as your employee contribution to employer-offered coverage, is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### **How Can I Get More Information?**

For more information about your coverage offered by your employer, please check your summary plan description or contact your employer.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [www.HealthCare.gov](http://www.HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

### **Information About Health Coverage Offered by Your Employer**

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

1. Employer Name: SYTECH, Inc.
2. Employer Identification Number (EIN): 91-2016413
3. Employer Address: 3900 E Main Avenue
4. Employer phone number: (509) 924-7797
5. City: Spokane
6. State: WA
7. ZIP code: 99202
8. Who can we contact about employee health coverage at this job: Seth Young
9. Phone number for contact: (509) 924-7797
10. Email address: sethy@sytechprecision.com

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to: Eligible Employees.  
Eligible employees are: Full-time non-production and production employees who work an average of 20 or more hours per week.
- With respect to dependents: We do offer coverage to all eligible dependents.  
Eligible dependents are: domestic partner or legal spouse of eligibel employee and dependent children of eligible employee.

**This coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.\***Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the

Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount. If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process.

\* An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.
