Summary Plan Description

SECTION 1: INTRODUCTION

The provisions that follow contain a summary of your rights and benefits under SYTECH, Inc. Health & Welfare Benefit Plan (the "Plan"). The Plan and Summary Plan Description (SPD) summarizes important features of the Plan. Complete details can be found in the underlying component benefit program documents which govern the operation of the Plan, and are available with this document or through the Plan Administrator. In the event of any difference or ambiguity between your rights or benefits described in this Plan or SPD and the underlying component benefit program documents, the underlying component benefit program documents will control. For purposes of this document, component benefit programs are those benefit programs specified under Provider Companies found towards the end of this document and contained in the component plan documents. Component benefit program documents include certificates of insurance, group insurance contracts, ERISA plan documents (if self-funded) and governing benefit plan documents for non-insurance benefit programs.

This document and component plan information serve as both the written plan document required by ERISA section 402 and the SPD as required by section 102 of ERISA. If you have any questions about this document or the component plan information, contact your Plan Administrator listed below.

Each benefit option is summarized in component benefit program documents issued by providers or Third Party Administrators, a Summary Plan Description or another governing document prepared by the Company. When the Plan refers to these documents, it also refers to any attachments to such contracts, as well as documents incorporated by reference into such contract (such as the application, certificate of insurance, ERISA plan documents and any amendments). A copy of each certificate, summary or other governing document is included with this document, was previously provided, or can be obtained from the Plan Administrator. Information contained in the underlying component benefit program documents defines and governs specific benefits including your rights and obligations for each plan.

2.1. ADMINISTRATION & FIDUCIARY

This document and the component plan documents describe the various benefits, whether each benefit is insured or self-funded, and Claims Administration and other services under the group benefit contracts.

- For self-insured benefits under this Plan, the Plan Administrator may elect to use a Third Party Administrator (TPA) to administer these benefits and adjudicate claims. In such case, the TPA will be the Claims Administrator and the Named Fiduciary for purposes of Claims Administrator, but the Plan Administrator will remain your point of contact for questions regarding any such Plan, not the TPA, and the Plan Administrator also has fiduciary responsibility.

- For fully-insured benefits, the insurance company is the Named Fiduciary and has complete discretion to determine benefit payment amounts and to adjudicate claims. The Plan Sponsor has no fiduciary responsibility in these areas. See providers, policy numbers and their related contact information toward the end of this document.

Plan Administration

The administration of the Plan is under the supervision of the Plan Administrator. The principal duty of the Plan Administrator is to see that the Plan is carried out, in accordance with its terms, for the exclusive benefit of persons entitled to participate in the Plan. The administrative duties of the Plan Administrator include, but are not limited to, interpreting the Plan, prescribing applicable procedures, determining eligibility for and the amount of benefits, and authorizing benefit payments and gathering information necessary for administering the Plan.

The Plan Administrator may delegate any of these administrative duties among one or more persons or entities, provided that such delegation is in writing, expressly identifies the delegate(s) and expressly describes the nature and scope of the delegated responsibility.

The Plan Administrator has the discretionary authority to interpret the Plan in order to make eligibility and benefit determinations as it may determine in its sole discretion. The Plan Administrator also has the discretionary authority to make factual determinations as to whether any individual is entitled to receive any benefits under the Plan.

The Company will bear the incidental costs of administering the Plan. The Company may shift from time to time certain administration costs to Participants. The Company shall communicate to the Participants the details of any cost shifting arrangements.

Power and Authority of Insurer or Third Party Administrator

Certain benefits offered in the Plan are fully-insured and provided by the Insurer or Third Party Administrator indicated in the Attachments, previously sent information or available through the Plan Administrator. Other benefits may be set up under a self-funded arrangement, if described in this document.

The Insurers or Third Party Administrator are responsible for

- (1) Determining eligibility for and the amount of any benefits payable under the respective component benefit program, and
- (2) Prescribing claims procedures to be followed and the claims forms to be used by Employees to obtain their respective benefits.

The Insurance Providers, not the Company, are responsible for paying claims with respect to these programs. The Company shares responsibility with the Insurers or Third Party Administrators for administering these program benefits.

Insurance premiums for Employees and their eligible family members are paid in part by the Company out of its general assets and in part by employees' pre-tax payroll deductions, where applicable. The Plan Administrator provides a schedule of the applicable premiums during the initial and subsequent open enrollment periods and on request for each of the component benefit programs, as applicable. Contributions for the self-insured component benefit programs are also made in part or in whole by the Company and/or in part or in whole by employees' pre-tax or post tax payroll deductions.

Exclusive Benefit

All Plan assets shall be used for the exclusive benefit of eligible Employees, their Spouses, their other designated Dependents and their designated beneficiaries, in accordance with the provisions of the Plan, and/or for paying reasonable expenses associated with administering the Plan.

2.2. ELIGIBILITY AND PARTICIPATION

Premium contributions for each of the health and welfare benefit plans provided by SYTECH, Inc. are either attached to this document, given out separately or may be obtained from the Plan Administrator upon request.

Eligibility

Employee benefits begin the first day of the month following their date of hire (unless stated below).

A. Full-Time Ongoing and New Hire Employees - Eligibility and Participation

Non-Production Employees employees working an average of 20 hours per week are eligible to participate in Plan benefits on the first day of the month following their date of hire.

Production Employees employees working an average of 20 hours per week are eligible to participate in Plan benefits on the first day of the month following 60 days of eligible service.

Once an Employee has met the eligibility requirements and an appropriate Enrollment Form has been submitted to the Plan Administrator, the Employee's coverage will commence on the date specified in the eligibility requirements at the beginning of this section and in the applicable component benefits program documents.

Rehired Employees

The following rules only apply to applicable large employers or to small employers who have elected to establish Measurement and Stability Periods.

An individual hired after a break in service of less than 13 weeks is considered a rehire for the purpose of benefit administration under the ACA. An individual with a break in service of more than 13 weeks (26 weeks in the case of an educational institution), is considered a new hire for the purpose of benefit administration. A returning Employee with a break in service of less than 13 weeks will be considered as continuing his or her employment. A rehired Employee will step back in where he or she left off as follows:

- **Monthly Measurement Method:** If the rehired Employee satisfied a waiting period during his or her previous period of employment, coverage will be offered the first day the Employee is credited with an hour of service or the first day of the calendar month following resumption of services (if immediate coverage is not administratively practicable).
- **Look-Back Measurement Method:** A rehired Employee will be credited for hours worked during the most recent measurement/look-back period and offered immediate healthcare enrollment if the Employee's average hours worked or paid meet the full-time threshold during the time that the Employee worked.

In accordance with the "rule of parity", an exception can be made if an Employee works for less than 13 weeks prior to the termination.

B. Eligible Family Members

You may also enroll eligible family members in the Medical, Dental and/or Vision plans. Eligible family members defined in this document are generic in nature. Refer to supporting component benefit plan documents for eligible family members and definitions.

Eligible family members include:

- Legal Spouse or Registered Domestic Partner and Non-Registered Domestic Partner ("spouse" means an individual who is legally married to a participant as determined under Revenue Ruling 2013-17, in accordance with federal and state law and as specified in each benefit plan)
- Domestic Partner (domestic partner can be broadly defined as an unrelated and unmarried person who shares common living quarters with an employee and lives in a committed, intimate relationship that is not legally defined as marriage by the state in which the

partners reside). Domestic Partners do not have the same rights as a spouse in terms of COBRA continuation coverage, see component plan documents for further information.

- Child (ren) up to age 26 or as defined in component plan documents; and/or
- Unmarried child (ren) of any age who depend upon the employee for support because of a mental or physical disability (For specified benefits only as defined in component plan documents).

Refer to underlying component benefit program documents for more information about dependent eligibility, definitions of family members and spouse, and overall coverage. Your benefits eligibility may be affected if your status changes to inactive due to a family, medical, or personal leave of absence. Contact your Plan Administrator for additional information.

Certain benefits require that an eligible Employee make an annual election to enroll for coverage. Information regarding enrollment procedures, including when coverage begins and ends for the various benefits under the Benefit options, is set forth in the certificate of insurance, component Summary Plan Descriptions or other governing documents. An eligible Employee may begin participating in any benefit based on his or her election to participate in accordance with the terms and conditions established for each benefit.

C. Qualified Medical Child Support Orders

With respect to component benefit programs that are group health plans, the Plan will also provide benefits as required by any qualified medical child support order (QMCSO) (defined in ERISA Section 609(a)). The Plan has detailed procedures for determining whether an order qualifies as a QMCSO. Participants and beneficiaries can obtain, without charge, a copy of such procedures from the Plan Administrator.

In the event the Plan Administrator receives a qualified medical child support order, the Plan Administrator will notify the affected Participant and any alternate recipient identified in the order of the receipt of the order and the Plan's procedures for determining whether such an order is a QMCSO. Within a reasonable period the Plan Administrator will determine whether the order is a qualified medical child support order and will notify the Participant and alternate recipient of such determination.

2.3. ANNUAL OPEN ENROLLMENT PERIOD

Each year SYTECH, Inc. has an open enrollment that takes place during December when participants can make plan changes or new participants can enroll. Open enrollment for Dental occurs during July.

2.4. ENROLLMENT IN THE PLAN

A. Enrollment Procedures

An Employee who is eligible to participate in this Plan shall commence participation on the first day after the eligibility requirements have been satisfied, provided that any enrollment forms are submitted to the Plan Administrator before the date that participation would commence. Such enrollment forms shall identify the Spouse and other Dependents who are eligible for benefits under the elected benefit plan.

B. Mid-Year Enrollment Changes (Only if Qualified Change in Status)

If benefits are paid on a pre-tax basis through IRS Section 125 plan, legal rules require that benefit choices made must remain in effect for the entire Plan Year, January 1 to December 31, unless the Employee experiences a Qualified Change in Status. While the list of possible events that could allow you to make mid-year election changes is set by the IRS and the Internal Revenue Code, SYTECH, Inc. and its Insurance Carriers or Third Party Administrator can select a sub-group of these events to allow changes under a particular plan. Under the Code you must enroll within a reasonable time period from your eligibility date. Once you are enrolled, you may only make changes to your benefit elections during Open Enrollment or if you have a Qualifying Change in Status that affects the eligibility of you or your dependents, and the requested election change is consistent with your Qualifying Change in Status.

The following is an example of what may be considered a qualifying event, refer to your certificate of coverage for an accurate list of qualifying events:

A Qualifying Life Event/Qualifying Change in Status includes:

- A change in your Legal Marital Status such as marriage, death of a spouse, divorce, legal separation or annulment.
- A change in your Number of Dependents such as birth, adoption, placement for adoption, or death of a child.
- A change in Employment Status such as commencement or termination of employment for you, your spouse, or your dependent.
- A change in Work Schedule such as a reduction or increase in hours, including a switch between part-time and full-time, a strike or lockout, or commencement or return from an unpaid leave of absence for you, your spouse, or your dependent.

- If Dependent Satisfies or Ceases to Satisfy the Requirements for Dependents due to factors such as age.
- A change in Residence or Worksite for you, your spouse, or your dependent.
- The receipt of a Qualified Medical Child Support Order.
- A change in Entitlement to Medicare or Medicaid for you, your spouse, or your dependent.
- A change in Eligibility for COBRA for you, your spouse, or your dependent while you are still an active employee.
- A change in a spouse's coverage such as benefit reduction, cost increase or decision not to join a plan during open enrollment.
- A change where an Employee may qualify for exchange coverage because the employer coverage does not meet the affordability requirements.
- An Employee may drop coverage if their hours drop below 30 hours/week on average, even if the Employee does not lose eligibility for coverage due to Affordable Care Act rules on eligibility.

All election changes must be requested within 30 days of the event in question unless otherwise required by state or federal laws or healthcare mandates (e.g. loss of coverage under Medicaid or CHIP allows up to 60 days to obtain coverage). *To make an election change, contact your Plan Administrator listed above.*

2.5. PLAN BENEFITS AND COST SHARING PROVISIONS

A. Participant Contributions

Participant premium contributions for coverage are fixed, and the employer bears the risk of premium and/or administrative cost above that amount.

If the Plan has cost sharing with a 125 Premium Only Plan or Flexible Spending Account Plan, employee contributions will be paid through a pre-tax payroll deduction starting the first pay period following enrollment, unless they are benefits that are not eligible for pre-tax deduction such as life or disability insurance or the Employee requests post-tax deductions. Contributions will be paid semi-monthly for all employees. Actual Contribution Rates will be published each year during the open enrollment period. See summary of coverage for additional deductible, coinsurance,

copayments, services, and coverage, and enrollment documents for applicable rates and contribution levels.

B. Company Contribution Levels

The Company will make its contributions in an amount that (in the Company's sole discretion) is at least sufficient to fund the benefits or a portion of the benefits that are not otherwise funded by the eligible Employee's contributions. The Company will pay its contribution and the eligible Employee's contributions to the Insurer or Third Party Administrator or, with respect to benefits that are self-insured, will use these contributions to pay benefits directly to or on behalf of the Participants from the Company's general assets. The eligible Employee's contributions toward the cost of a particular benefit will be used in their entirety prior to using Employer contributions to pay for the cost of such benefit.

C. Ordering of Participant and Company Contributions

This section applies unless the plan sponsor has adopted specific written procedures or a document that specifies a different ordering for plan contributions or for plan receipts to plan contributions.

- All participant contributions will be applied first to cover premiums or benefit costs, and then employer contributions will be applied to cover any remaining premiums or benefit costs plus the cost of other plan expenses, including stop-loss premiums if applicable.
- If any component of the Plan is self-insured and the employer has purchased a stop-loss policy (and the employer, not the Plan, is the policyholder), any stop-loss proceeds will be treated as fully allocable to employer contributions. This applies even if stop-loss premiums were included in calculating total plan costs. Participant contributions will not be used to pay stop-loss premiums. (If the employer is the policyholder, the employer is entitled to reimbursement for amounts it pays above a specified threshold level for allowed claims during the relevant period. The stop-loss policy is not a plan asset and does not reimburse participants for claims costs.)
- In the event a medical loss ratio (MLR) rebate or other type of rebate is paid to the Plan, the portion of the rebate that does not exceed the employer's total amount of prior contributions during the relevant period will be attributable to employer contributions, not to participant contributions.

With respect to offered group health plans, the Plan will provide benefits in accordance with the requirements of all applicable laws, such as COBRA, HIPAA, HITECH, MHPA, NMHPA, USERRA, GINA, MHPAEA, WHCRA, HCERA and PPACA.

2.6. BENEFIT PLAN PROVISIONS

All documents relating to the SYTECH, Inc. Health & Welfare Benefits Plan, including the Evidence/Certificate of Coverage for each plan, Listing of Network Providers, Contribution Rates, General COBRA Notice, Medicare Creditable Coverage Notice, and any other relevant Plan Documents or Notices, are available to Employees and their dependents by contacting the Plan Administrator. Plan participants may receive a paper copy of any of the above documents free of charge by contacting the Plan Administrator.

Please refer to the component plan documents for each plan's specific details, including a description of benefits, cost-sharing provisions, requirements for use of network providers, and circumstances by which benefits may be denied.

2.7. POSSIBLE LIMITS ON OR LOSS OF BENEFITS

Summary of Benefits and Coverage

See component plan documents and Summary of Benefits and Coverage (SBC) for details regarding deductibles, co-pays, coverage, claims procedures, resources and provider company information.

A. Coordination of Benefits

For Participants and Dependents who do not maintain coverage under a health and welfare plan sponsored by another unrelated employer's health and welfare plan, the Plan will be the primary payer for all eligible claims and benefits as defined in the underlying component benefit program documents. If participants or dependents are covered by another medical or insurance plan, the two plans will coordinate together eliminating duplication of payments as explained in the component plan documents. The insurer has primary responsibility to coordinate benefits for eligible expenses for other employer plans, government plans, Medicare or other coverage such as motor vehicle insurance.

B. Subrogation of Benefits

Refer to component benefit program documents for provisions regarding subrogation of benefits and the handling of situations where a Participant incurs a claim under the insurance benefits provided as a result of injuries caused by someone else's negligence, wrongful act or omission, which may not be the Plan's responsibility to pay. If this happens, the Plan Administrator, Claims Administrator, if applicable, or the Insurer or Third Party Administrator may contact the Participant and ask him or her to sign a subrogation agreement. This means that the Company, the Claims Administrator (if applicable), Insurer or Third Party Administrator can take steps to recover what it paid (under this Plan) from the third party that caused injury or illness. If the Participant does not sign a subrogation

agreement, his or her claims for medical, dental and/or vision expenses related to the injury or illness may be denied.

C. Rescission

Benefits for you and/or your enrolled dependent(s) will be terminated retroactively (this is known as “*rescission*”) if the Carrier or Plan Administrator determines that you obtained benefits under the Plan as a result of fraud or intentional misrepresentation of a material fact. You will be given 30 days prior written notice, and coverage will be terminated back to the date of the fraud or intentional misrepresentation. You will be required to reimburse the Plan for any benefits you or your eligible dependent(s) received since the date of the fraud or material misrepresentation, and such amount will be offset against the premiums you paid before they are refunded to you, to the extent allowed by applicable law.

D. Denial or Loss of Benefits

A Participant’s benefits under the Plan will cease when the eligible Employee’s participation in the Plan terminates. A Participant’s benefits will also cease on termination of the Plan. Other circumstances can result in termination, reduction or denial of benefits. Refer to the component benefit program documents for details regarding when a plan may terminate.

The Participant will fully cooperate and do his or her part to ensure the Plan’s right of recovery and subrogation are secured. If the Participant fails or refuses to honor the Plan’s recovery and subrogation rights, the Plan may recover any costs to enforce its rights. This includes, but is not limited to attorney’s fees, litigation, court costs and other expenses as covered in the underlying component benefit program documents.

2.8. TERMINATION OF BENEFITS

Benefits under any Component Benefit Program will terminate for all participants if that Component Benefit Program is terminated, and will terminate for a particular participant if his or her participation is ended due to loss of eligibility or termination of employment or other reason.

Medical, Dental and Vision benefits terminate the last day of the month in which eligibility ends. Plans may or may not have conversion options (check with Plan Administrator). See continuation options available for such benefits as medical, dental, vision and health flexible spending accounts, if applicable, under COBRA (Consolidated Omnibus Budget Reconciliation Act) as explained below. Check with the Plan Administrator for possible conversion options or questions on possible continuation rights. See each component benefit program documents for termination provisions.

An eligible Employee's participation and the participation of his or her eligible Dependents in the Plan will terminate on the date specified in the component benefit program documents. Other circumstances can result in the termination of benefits as described in the component benefit program documents.

Participation in the Plan may be terminated due to disqualification, ineligibility, or denial, loss, forfeiture, suspension, offset, reduction, etc. Refer to the corresponding component benefit program documents for detailed information. SYTECH, Inc. reserves the right to change, cancel, or alter all or any portion of the Employee Welfare Benefit Plan as it deems necessary.

The Company has the right to terminate the Plan in its entirety, or any portion thereof at any time. In the event that the Plan is terminated, a written notice shall be given 60 days in advance.

An officer, as designated by the Company, may sign insurance contracts for this Plan on behalf of the Company, including amendments to those contracts, and may adopt (by a written instrument) amendments to the Plan that he or she considers to be administrative in nature or advisable to comply with applicable law.

Other circumstances can result in the termination of benefits. The insurance contracts (including the certificate of insurance booklets), plans, and other governing documents in the applicable Attachments, previously sent documents or available through the Plan Administrator, provide additional information.

2.9. PLAN AMENDMENT AND TERMINATION

Amendment of the Plan

The Employer reserves the right to amend, modify, or discontinue the Plan in any respect, including but not limited to, implementing a change in the amount or percentage of premiums or cost that must be paid by the Participant. No Participant shall have any vested right to any benefits under the Plan, subject to any duty to bargain that may exist. The Company shall have the right to amend the Plan at any time and to any extent deemed necessary or advisable; provided, however, that no amendments shall:

1. Have the effect of discriminatorily depriving, on a retroactive basis, any eligible Employee, dependent or beneficiary of any beneficial interest that has become payable prior to the date such amendment is effective; or
2. Have the result of diverting the assets of the Plan to any purpose other than those set forth in this Plan.

An officer, as designated by the Company, may sign insurance contracts for this Plan on behalf of the Company, including amendments to those contracts, and may adopt (by a written instrument)

amendments to the Plan that he or she considers to be administrative in nature or advisable to comply with applicable law.

In the event that the Plan is terminated, a written notice shall be given to participants 60 days in advance. If the Plan is amended, the employer will promptly provide notice to participants as required under applicable law and shall execute any instruments necessary in connection therewith. The Company shall promptly notify the Plan Administrator and all interested parties of any amendment adopted pursuant to this Section.

2.10. CLAIMS PROCEDURES

Generally, to obtain benefits from the Insurer or Third Party Administrator of a provided component benefit program, you must follow the claims procedures under the applicable component benefit program documents, which may require you to complete, sign, and submit a written claim on the Insurer's or Third Party Administrator's form. In that case, the form is available from the Plan Administrator.

The Providers or Third Party Administrator's component benefit program documents will decide your claim in accordance with its reasonable claims procedures, as required by ERISA. See how to file a claim by referencing applicable component benefit program documents or contacting the Plan Administrator.

If you (or an eligible dependent) are covered by another employer's plan, the two plans work together to avoid duplicating payments. This is called non-duplication or coordination of benefits.

The Insurer or Third Party Administrator is responsible for ensuring that eligible expenses are coordinated with benefits from other employers' plans, certain government plans, and motor vehicle plans when required by law.

The Insurer or Third Party Administrator may request information about other coverage you may have. You are required to provide this information to ensure that claims are properly paid.

If you or your dependent receives benefits in excess of the amount payable under the Plan, the Insurer or Third Party Administrator has a right to subrogation and reimbursement. Subrogation applies when the Insurer or Third Party Administrator has paid benefits for a sickness or injury for which a third party is considered responsible (e.g., an insurance carrier if you are involved in an auto accident).

The Plan Administrator has delegated all subrogation rights and third party recovery rights to the Insurer or administrator of each fully-insured plan or Third Party Administrator for self-insured plans. The Insurer or Third Party Administrator shall undertake reasonable steps to identify claims in which the Plan has a subrogation interest and shall manage subrogation cases on behalf of the Plan. You are required to cooperate with the Insurer or Third Party Administrator to facilitate enforcement of its rights and interests.

Details regarding the Plan's claim procedures are furnished automatically, without charge, as a separate document, copies of which are included with this document, were previously provided, or can be obtained from the Plan Administrator.

Participation During Leaves of Absence

Notwithstanding any other provision to the contrary in this Plan, if a Participant is eligible for a qualifying leave under the Family Medical Leave Act (FMLA), then to the extent required by FMLA, as applicable, the Company shall continue to maintain those benefits in accordance with FMLA requirements. In such instances, the Participant may continue coverage during unpaid leave by paying for coverage. Check with your Plan Administrator for details on coverage options and requirements during medical leave.

If a Participant is eligible for a qualifying leave under USERRA (Uniformed Services Employment and Reemployment Rights Act), then to the extent required by USERRA, as applicable, the Company shall continue to maintain the required benefits on the same terms and conditions as under COBRA, as explained below.

2.11. AFFORDABLE CARE ACT COMPLIANCE

The Plan complies with all applicable Patient Protection and Affordable Care Act (PPACA) provisions, as detailed in component plan documents. PPACA applies only to health benefits and also to dental and vision benefits if specified in the underlying documents. It does not apply to other benefits under the Plan, such as life, disability, "excepted" benefits (as defined by law and regulations) or other categories of benefits.

Exceptions: Plans are not required to comply with certain PPACA requirements if they are "grandfathered" as defined under PPACA or "grandmothered" (certain non-ACA-compliant small insured plans that were allowed to renew for a limited period of time, under PPACA and certain states' laws). See component plan document to clarify if your plan is "grandfathered" or "grandmothered".

PPACA compliance (for plans that are not grandfathered or grandmothered) includes, but is not limited to:

- Coverage of dependents up to age 26

- No annual or lifetime dollar limits on "Essential Health Benefits" as defined in PPACA and regulations

- No pre-existing conditions exclusions

- Prohibition on rescissions

- Patient protections – coverage and payment for emergency services, primary care provider designation, designation of pediatric physician as primary care provider, no prior authorization for access to obstetrical or gynecological care.
- Preventive care – specified preventive care services are covered on a first-dollar basis, not subject to co-payments, co-insurance, deductibles or other cost-sharing requirements.
- Nondiscrimination testing – this Plan is intended to comply with current nondiscrimination rules.

2.12. ERISA NOTICES

With respect to offered group Health Plans, the Plan will provide benefits in accordance with the requirements of all applicable laws, such as COBRA, HIPAA, HITECH, MHPA, NMHPA, USERRA, GINA, MHPAEA, WHCRA, HCERA and PPACA.

Notice of Rights Under the Mothers & Newborns Health Protection Act

Group Health Plans and Health Insurance Issuers or Third Party Administrators generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, Plans and Issuers may not, under federal law, require that a provider obtain authorization from the Plan or the Issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Notice of Women's Health & Cancer Rights Act

Group Health Plans, Insurance Companies, and Health Maintenance Organizations offering mastectomy coverage must also provide coverage for reconstructive surgery in a manner determined in consultation with the attending physician and the patient. Coverage includes reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, and prostheses and treatment of physical complications at all stages of the mastectomy, including lymph edemas.

HIPAA Portability Rights

The Health Insurance Portability and Accountability Act of 1996 ("HIPAA") requires that we notify you about two very important provisions in the Plan. The first is your right to enroll in the Plan under its "special enrollment provision" if you marry, acquire a new dependent, or if you decline coverage under the Plan for an eligible dependent while other coverage is in effect and later the dependent loses that other coverage for certain qualifying reasons. Special enrollment must take place within 30 days of the qualifying event or as

required by state or federal law (60 days if enrollment in or eligibility for, or loss of eligibility for Medicaid or CHIP).

Second, is the existence of any preexisting condition exclusion rules in the Plan that may temporarily exclude coverage for certain preexisting conditions that you or a member of your family may have. These no longer apply as of the 2014 plan year, unless the medical coverage is provided under an insured small group policy that meets applicable federal and state requirements for renewal/extension as a non-PPACA compliant policy. You will receive notice from the Insurer if this limited exception applies. If a preexisting condition exclusion applies, it cannot be longer than 12 months from your enrollment date (18 months for a late enrollee). A pre-existing condition exclusion that is applied to you must be reduced by the prior creditable coverage you have that was not interrupted by a significant break in coverage. You may show creditable coverage through a certificate of creditable coverage given to you by your prior Plan or Insurer (including an HMO) or Third Party Administrator or by other proof. Refer to your plan document for additional details. A HIPAA certificate of creditable coverage notice is generally given by the provider when there is a loss of coverage, this notice should be retained for your records as proof of creditable coverage. All questions about preexisting condition exclusion, special enrollment rights and creditable coverage should be directed to your Health Plan Provider or Plan Administrator listed above. Plans renewing or effective in 2014, are not subject to pre-existing conditions.

Family Medical Leave

To the extent the Plan is subject to the Family Medical Leave Act of 1993 (FMLA), the Plan Administrator will permit a Participant taking unpaid leave under the FMLA to continue medical benefits under such applicable law. Non-medical benefits will continue according to the established Company policy. Participants continuing participation pursuant to the foregoing will pay for such coverage (on a pre-tax or after-tax basis) under a method as determined by the Plan Administrator satisfying applicable regulations. Any Participant on FMLA leave who revoked coverage will be reinstated to the extent required by applicable regulations. If the Participant's coverage under the Plan terminates while the Participant is on FMLA leave, the Participant is not entitled to receive reimbursements for claims incurred during the period when the coverage is terminated. Upon reinstatement into the Plan upon return from FMLA leave, the Participant has the right to resume coverage at the level in effect before the FMLA leave and make up the unpaid premium payments, or resume coverage at a level that is reduced by the amount of unpaid premiums and resume premium payments at the level in effect before the FMLA leave.

Mental Health Parity & Addiction Equity Act (MHPAEA)

The MHPAEA applies only to employers with more than 50 employees. If applicable to this Plan, the MHPAEA applies to class health benefits provided under this Plan that provide both medical and surgical benefits as well as mental health or substance use disorder benefits. The MHPAEA requires that:

- The financial requirements that apply to mental health or substance use disorder benefits cannot be more restrictive than the predominant financial requirements that apply to substantially all

medical and surgical benefits under the Plan, and no separate cost-sharing requirements can be applied only to mental health or substance use disorder benefits.

- The treatment limitations that apply to mental health or substance use disorder benefits cannot be more restrictive than the predominant treatment limitations that apply to substantially all medical and surgical benefits under the Plan, and no separate treatment limitations can be applied only to mental health or substance use disorder benefits.

The component plan determines what mental health condition and/or substance use disorder coverage is provided.

USERRA

The Plan Administrator will also permit you to continue benefit elections as required under the Uniformed Services Employment and Reemployment Rights Act (USERRA) and will provide such reinstatement rights as required by such law. The Plan Administrator will also permit you to continue benefit elections as required under any other applicable state law to the extent that such law is not pre-empted by federal law.

Special Enrollment Notice

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or *your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage)*. However, you must request enrollment within the allowable period outlined in the component plan documents, after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within allowable period outlined in the component plan documents, after the marriage, birth, adoption, or placement for adoption. To request special enrollment or obtain more information, contact the Plan Administrator.

Genetic Information Nondiscrimination Act of 2008 (“GINA”)

The Genetic Information Nondiscrimination Act of 2008 (“GINA”) prohibits the Plan from discriminating against individuals on the basis of genetic information in providing any of the benefits under provided benefit plans.

GINA generally:

- Prohibits the Plan from adjusting premium or contribution amounts for a group on the basis of genetic information;
- Prohibits the Plan from requesting or mandating that an individual or family member of an individual undergo a genetic test, provided that such prohibition does not limit the authority of a

health care professional to request an individual to undergo a genetic test, or preclude a group health plan from obtaining or using the results of a genetic test in making a determination regarding payment;

- Allows the Plan to request, but not mandate, that a participant or beneficiary undergo a genetic test for research purposes if the Plan does not use the information for underwriting purposes and meets certain disclosure requirements; and
- Prohibits the Plan from requesting, requiring, or purchasing genetic information for underwriting purposes, or with respect to any individual in advance of or in connection with such individual's enrollment.

Michelle's Law

Michelle's Law is a federal law that requires certain group health plans to continue eligibility for adult dependent children who are students attending a post-secondary school, where the children would otherwise cease to be considered eligible students due to a medically necessary leave of absence from school. In such a case, the Plan must continue to treat the child as eligible up to the earlier of:

- The date that is one year following the date the medically necessary leave of absence began; or the date coverage would otherwise terminate under the Plan.

For the protections of Michelle's Law to apply, the child must:

- Be a dependent child, under the terms of the Plan, of a participant or beneficiary; and
- Have been enrolled in the Plan, and as a student at a post-secondary educational institution, immediately preceding the first day of the medically necessary leave of absence.

"Medically necessary leave of absence" means any change in enrollment at the post-secondary school that begins while the child is suffering from a serious illness or injury, is medically necessary, and causes the child to lose student status for purposes of coverage under the Plan.

If you believe your child is eligible for this continued eligibility, you must provide to the Plan a written certification by his or her treating physician that the child is suffering from a serious illness or injury and that the leave of absence is medically necessary.

If you have any questions regarding the information contained in this notice or your child's right to Michelle's Law's continued coverage, you should contact the Plan Administrator.

Unless otherwise prohibited by law, and subject to the conditions of disclosure described herein. The Covered Programs may disclose PHI and electronic PHI to the Company; provided that the Company uses or discloses such PHI and electronic PHI only for plan administration purposes and certifies in writing that it will use such information only for such limited purposes. "Plan administration purposes" means administration functions performed by the Company on behalf of the Covered Programs, such as quality assurance, claims processing, auditing, and monitoring. Plan administration functions do not include functions performed by the Company in connection with any other benefit or benefit plan of the Company or any employment-related actions or decisions.

2.14. COBRA

COBRA NOTICE

The Plan Administrator of any group health plan that is a Component Benefit Program under this Plan will provide (or have provided) to group health plan participants appropriate COBRA notices, if applicable, both upon initial enrollment and if a Qualifying Event occurs. Plan participants can request a copy of these COBRA notices from the Human Resources Department at any time.

2.15. STATEMENT OF ERISA RIGHTS

The Employee Retirement Income Security Act of 1974 (ERISA) provides that all Plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including insurance contracts and if the group has 100 or more participants, a copy of the latest annual report (Form 5500 Series) filed by the Plan with the US Department of Labor. Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series, if 100 or more participants) and updated Summary Plan Description. Receive a summary of the Plan's annual financial report. If a pension plan is provided, obtain a statement telling you whether you have a right to receive a pension at normal retirement age (age 65) and if so, what your benefits would be at normal retirement age if you stop working under the Plan now. If you do not have a right to a pension, the statement will tell you how many more years you have to work to get a right to a pension. This statement must be requested in writing and is not required to be given more than once every 12 months.

Foreign Language

This document contains a summary in English of your plan rights and benefits under the group health plan. If you have difficulty understanding any part of this document, contact the Plan Administrator indicated above.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interests of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a pension or welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a pension/welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file

suit in a state or federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the US Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefit Security Administration (EBSA) US Department of Labor, listed in your telephone directory or (866) 444-3272. You may also obtain EBSA contact information at: <https://www.dol.gov/ebsa/contactEBSA/consumerassistance.html>. You may further obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the EBSA.

SECTION 3: GENERAL PROVISIONS

3.1. NO RIGHT TO EMPLOYMENT

Nothing contained in this Plan will be construed as a contract of employment between the Company and you, or as a right of any Employee to continue in the employment of the Company, or as a limitation of the right of the Company to discharge any of its employees, with or without cause "at will".

3.2. GOVERNING LAW

The Plan will be construed in accordance with and governed by the laws of the state or commonwealth of organization of the Plan Sponsor to the extent not preempted by federal law. The Plan hereby incorporates by reference any provisions required by state law to the extent not preempted by Federal law.

3.3. TAX EFFECT – NOTICE ABOUT PRE-TAX PAYMENTS AND POSSIBLE EFFECT ON FUTURE SOCIAL SECURITY BENEFITS

Where possible, the Company provides benefits under the Plan on a pre-tax basis in accordance with federal tax law. Some benefits may be obtained on an after tax basis. The Company does not represent or guarantee that any particular federal, state or local income, payroll, personal property or other tax consequence will result from participation in this Plan. You should consult with your professional tax advisor to determine the tax consequences of your participation in this Plan.

If this Plan allows you to pay for benefits on a pre-tax basis, you will not pay Social Security taxes on the pre-tax dollars you use to pay for coverage. As a result, the earnings used to calculate your Social Security benefits at retirement will not include these contributions. This could result in a small reduction in the Social Security benefit you receive at retirement. However, your savings on current taxes under the Plan normally will be greater than any eventual reduction in Social Security benefits.

3.4. REFUND OF PREMIUM CONTRIBUTIONS

For fully-insured component benefit programs, the Plan will comply with Department of Labor (DOL) guidance regarding refunds (e.g., dividends, demutualization, experience adjustments, and/or medical loss ratio rebates (MLR) of insurance premiums). To the extent that the Company receives rebates determined to be plan assets to the extent amounts are attributable to insurance premiums paid by Participants, the rebates will (a) be distributed within 90 days of receipt to the Participants covered by the policy to which the rebate relates under a reasonable, fair, and objective allocation method or (b) if distributing the rebates would not be cost-effective because the amounts are small or would give rise to tax consequences to the Participants, the rebates may be used to pay future Participant premiums or for benefit enhancements which benefit the Participants covered by the policy to which the rebate relates. Such determination will be made by the Plan Administrator, acting in its fiduciary capacity, after weighing the cost to the Plan and the competing interest of participants. Any rebates attributable to insurance premiums paid by the Company shall be retained by the Company.

3.5. FACILITY OF PAYMENT

When, in the Company or its designated representative's opinion, any Participant under the Plan is under a legal disability or is incapacitated in any way so as to be unable to manage his financial affairs, the Company or its representative may direct that payments be made to such Participant's legal representative or withhold payment pending an adjudication of the Participant's legal capacity and the appointment of a legal representative. The Company or its designated representative may also direct that payment be applied for the benefit of the Participant any way the Company considers advisable. Any payment made by the Plan in good faith pursuant to this provision shall fully discharge the Plan, the Company or the Employer to the extent of such payment. Any payment requirement shall include payments to a Participant's beneficiary in the case of death benefits paid under the Plan.

3.6. DATA

Participants who may receive benefits under the Plan must furnish the Company, or its designated representatives such documents, evidence, information, releases or authorizations, as it considers necessary or desirable for the purpose of administering the Plan, or to protect the Company. It shall be a condition of the Plan that each such person must furnish such information promptly and sign such documents as the Company may require before any benefits become payable under the Plan.

3.7. ELECTRONIC COMMUNICATIONS

Whenever an Employee, Participant, Spouse, other Dependent or beneficiary is required to provide information or perform a written process, the Plan Administrator may, in its discretion, permit or require that electronic means be used. In addition, meetings with the Plan Administrator may be held in person or through electronic or telephonic means or a combination thereof and written actions of the Plan Administrator may be taken using electronic or conventional means. In the use of electronic communication, the Plan Administrator shall follow all guidelines published by the Department of Labor and the Internal Revenue Service.

3.8. NON-ASSIGNABILITY AND SPENDTHRIFT CLAUSE

To the extent permitted by law, the benefits or payments under the Plan will not be subject to alienation, sale, assignment, pledge, attachment, garnishment, execution, encumbrance or other transfer, nor will they be subject to any claim by any creditor of any Participant under the Plan other than a physician or treatment facility so authorized by the Participant or to legal process by an creditor of any Participant (except in the case of death or obligations owed to the Company). Any attempt to circumvent these provisions shall be considered null and void.

3.9. SEVERABILITY OF PROVISIONS

If any provision of the Plan is held invalid or unenforceable, such invalidity or unenforceability will not affect any other provisions hereof, and the Plan will be construed and enforced as if such provisions had not been included.

3.10. EFFECT OF MISTAKES

In the event of a mistake as to the eligibility or participation of an Employee, or the allocations made to the account of any Participant, or the amount of distributions made or to be made to a Participant or other person, the Plan Administrator will, to the extent it deems possible, cause to be allocated or cause to be withheld or accelerated, or otherwise make adjustment of, such amounts as will in its judgment accord to such Participant or other person the credits to the account or distributions to which he is properly entitled under the Plan. Such action by the Administrator may include withholding of any amounts due the Plan or the Company from Compensation paid by the Company.

3.11. COMPLIANCE WITH STATE AND FEDERAL MANDATES

With respect to all benefit plans, the Plan will comply, to the extent applicable, with the requirements of all applicable laws, such as USERRA, COBRA, FMLA, HIPAA, WHCRA, the Health Information Technology for Economic and Clinical Health Act, the Newborns' and Mothers' Health Protection Act of 1996, as amended, the Mental Health Parity Act, the Mental Health Parity Addiction Equity Act, and the Genetic Information Nondiscrimination Act of 2008 ("GINA"). In accordance with Title I of GINA, in no event will the Plan or any of its Insurers or Third Party Administrator discriminate against any Participant on the basis of genetic information with respect to eligibility, premiums, or contributions.

IMPORTANT INFORMATION

MEDICARE PART D NOTICE

Medical Plan: Asuris Northwest Health

About Your Prescription Drug Coverage and Medicare

This notice has information about your current prescription drug coverage and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription

drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. We have determined the prescription drug coverage offered by Asuris Northwest Health is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore **considered Creditable Coverage**. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. Plan participants are eligible if they are within three months of turning age 65, are already 65 years old or if they are disabled. However, if you lose your current creditable prescription drug coverage through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current coverage will not be affected, and benefits will be coordinated with Medicare. Refer to your plan documents provided upon eligibility and open enrollment or contact your provider or the plan administrator for an explanation and/or copy of the prescription drug coverage plan provisions/options under the plan available to Medicare eligible individuals when you become eligible for Medicare Part D.

Visit <http://www.cms.hhs.gov/CreditableCoverage/> which outlines the prescription drug plan provisions/options Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and current coverage is dropped, be aware you and your dependents will be able to get this coverage back. Refer to plan documents or contact your provider or the plan administrator before making any decisions.

Note: In general, different guidelines exist for retirees regarding cancelation of coverage and the ability to get that coverage back. Retirees who terminate or lose coverage will not be able to get back on the plan unless specific contract language or other agreement exists. Contact the plan administrator for details.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know if you drop or lose your current coverage and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For more information about this notice or your current prescription drug coverage...

Contact the person listed in this notifications report. You will get this notice each year. You will also get it before the next Medicare part D drug plan enrollment period and if this coverage changes. You also may request a copy of this notice at any time.

For more information about your options under Medicare prescription drug coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage: Visit www.Medicare.gov or call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help. Call 800-MEDICARE (800-633-4227). TTY users should call (877) 486-2048. If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social

Security on the web at www.socialsecurity.gov or call (800) 772-1213 (TTY 1-800-325-0778).

Remember to keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

NOTIFICATIONS

HIPAA

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires that we notify you about important provisions in the plan. You have the right to enroll in the plan under its "special enrollment provision" if you marry, acquire a new dependent, or if you decline coverage under the plan for an eligible dependent while other coverage is in effect and later the dependent loses that other coverage for certain qualifying reasons. Special enrollment must take place within 30 days of the qualifying event. If you are declined enrollment for yourself or your dependents (including your spouse) while coverage under Medicaid or a state Children's Health Insurance Program (CHIP) is in effect, you may be able to enroll yourself and your dependents in this program if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after you or your dependents' Medicaid or CHIP coverage ends. If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or a CHIP program with respect to coverage under this plan, you may be able to enroll yourself and your dependents (including your spouse) in this plan. However, you must request enrollment within 60 days after you or your dependents become eligible for the premium assistance. To request special enrollment or obtain more information, contact the plan administrator indicated in this notice.

The Health Insurance Portability and Accountability Act of 1996 ("HIPAA") requires that we maintain the privacy of protected health information, give notice of our legal duties and privacy practices regarding health information about you and follow the terms of our notice currently in effect.

You may request a copy of the current Privacy Practices from the Plan Administrator explaining how medical information about you may be used and disclosed, and how you can get access to this information. *As Required by Law*. USERRA

The Uniformed Services Employment and Reemployment Rights Act (USERRA), protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

SPECIAL ENROLLMENT NOTICE

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days or any longer period that applies under the plan, after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days or any longer period that applies under the plan, after the marriage, birth, adoption, or placement for adoption. To request special enrollment or obtain more information, contact the plan administrator mentioned above.

Reemployment Rights

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- You ensure that your employer receives advance written or verbal notice of your service;
- You have five years or less of cumulative service in the uniformed services while with that particular employer;
- You return to work or apply for reemployment in a timely manner after conclusion of service; and
- You have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

Right to Be Free From Discrimination and Retaliation

If you are a past or present member of the uniformed service; have applied for membership in the uniformed service; or are obligated to serve in the uniformed service; then an employer may not deny you: initial employment; reemployment; retention in employment; promotion; or any benefit of employment because of this status. In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

Health Insurance Protection

If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military. Even if you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

Enforcement

The U.S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations. For assistance in filing a complaint, or for any other information on USERRA, contact VETS at **1-866-4-USA-DOL** or visit its **website at <http://www.dol.gov/vets>**. An interactive online USERRA Advisor can be viewed at <http://www.dol.gov/elaws/userra.htm>. If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation. You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

GINA

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

prostheses, and complications resulting from a mastectomy (including lymphedema). Call your health insurance issuer for more information.

This notice informs you of the Federal regulation that requires all health plans that cover mastectomies to also cover reconstruction of the removed breast. If you have had or are going to have a mastectomy, you may be entitled to certain benefits. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- Treatment of physical complications of the mastectomy, including lymphedemas.

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for: All stages of reconstruction of the breast on which the mastectomy was performed; Surgery and reconstruction of the other breast to produce a symmetrical appearance; Prostheses; and Treatment of physical complications of the mastectomy, including lymphedema. These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your plan administrator at the number listed above.

NMHPA

Newborns' and Mothers' Health Protection Act requires that group health plans and health insurance issuers who offer childbirth coverage generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). Refer to your plan document for specific information about childbirth coverage or contact your plan administrator.

For additional information about NMHPA provisions and how Self-funded non Federal governmental plans may opt-out of the NMHPA requirements, visit http://www.cms.gov/CCIIO/Programs-and-Initiatives/Other-Insurance-Protections/nmhpa_factsheet.html.

RESCISSIONS

The Affordable Care Act prohibits the rescission of health plan coverage except for fraud or intentional misrepresentation of a material fact. A rescission of a person's health plan coverage means that we would treat that person as never having had the coverage. The prohibition on rescissions applies to group health plans, including grandfathered plans, effective for plan years beginning on or after September 23, 2010.

Regulations provide that a rescission includes any retroactive terminations or retroactive cancellations of coverage except to the extent that the termination or cancellation is due to the failure to timely pay premiums. Rescissions are prohibited except in the case of fraud or intentional misrepresentation of a material fact. For example, if an employee is enrolled in the plan and makes the required contributions, then the employee's coverage may not be rescinded if it is later discovered that the employee was mistakenly enrolled and was not eligible to participate. If a mistake was made, and there was no fraud or intentional misrepresentation of a material fact, then the employee's coverage may be cancelled prospectively but not retroactively.

Should a member's coverage be rescinded, then the member must be provided 30 days advance written notice of the rescission. The notice must also include the member's appeal rights as required by law and as provided in the member's plan benefit documents. Please be aware that if you rescind a member's coverage, you must provide the proper notice to the member.

Public agencies as well as public and private secondary schools are covered employers without regard to the number of employees employed. COBRA NOTICE

This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the company plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a Federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage.

For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the plan is lost because of the qualifying event. Under the plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage. Employees and their qualified dependents are responsible for notifying the Company of any change in address or status (e.g., divorce, insurance eligibility, child becoming ineligible due to age, etc.) within 30 days of the event.

If applicable, your participation in the Health Flexible Spending Account can also continue on an after-tax basis through the remainder of the Plan Year in which you qualify for COBRA. The opportunity to elect the same coverage that you had at the time the qualifying event occurred extends to all qualified beneficiaries.

If you make contributions to the Health Flexible Spending Account for the year in which your qualifying event occurs, you may continue to make these contributions on an after-tax basis. This way, you can be reimbursed for certain medical expenses you incur after your qualifying event, but before the end of the Plan Year.

You may be offered to continue your coverage under the Health Flexible Spending Account if you have not overspent your account. The determination of whether your account for a plan year is overspent or underspent as of the date of the qualifying event depends on three variables: (1) the elected annual limit for the qualified beneficiary for the Plan Year (e.g., \$2,550 of coverage); (2) the total reimbursable claims submitted to the Cafeteria Plan for that plan year before the date of the qualifying event; and (3) the maximum amount that the Cafeteria Plan is permitted to require to be paid for COBRA coverage for the remainder of the plan year. The elected annual limit less the claims submitted is referred to as the "remaining annual limit." If the remaining annual limit is less than the maximum COBRA premium that can be charged for the rest of the year, then the account is overspent. You may not re-enroll in the Health Flexible Spending Account during any annual enrollment for any Plan Year that follows your qualifying event.

Supporting documentation like a divorce decree, death certificate, proof of other insurance may be required as proof of a qualifying event.

This general notice does not fully describe COBRA or the plan. More complete information is available from the plan administrator and in the summary plan document.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a dependent child.

When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, or the employee becoming entitled to Medicare benefits (under Part A, Part B, or both), the employee must notify the Plan Administrator of the qualifying event.

How is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child,

COBRA continuation coverage lasts for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability extension of 18-month period of continuation coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Documentation from the Social Security administration certifying a disability will be required.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and any dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

If you have questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the plan administrator indicated above or in the summary plan description. For more information about your

rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.HealthCare.gov.

Keep your Plan informed of address changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2017. Contact your State for more information on eligibility –

Health Insurance Marketplace Coverage Options and Your Health Coverage

General Information

With the key parts of the health care law that took effect in 2014, there is a new way to buy health insurance: **the Health Insurance Marketplace**. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by SYTECH, Inc..

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

The Open Enrollment period is November 1st through December 15th of the year preceding the benefit plan year. Individuals may also qualify for Special Enrollment Periods outside of Open Enrollment if they experience certain events. (See [Special Enrollment Period](#) and [Qualifying Life Event](#))

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.69% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. *Note: For plan years beginning in 2018 the income rate will change to 9.56%.*

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution, as well as your employee contribution to employer-offered coverage, is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact your employer.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit www.HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer Address: 3900 E Main Avenue
4. Employer phone number: (509) 924-7797
5. City: Spokane
6. State: WA

9. Phone number for contact: (509) 924-7797

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to: Eligible Employees.
Eligible employees are: Full-time non-production and production employees who work an average of 20 or more hours per week.
- With respect to dependents: We do offer coverage to all eligible dependents.
Eligible dependents are: domestic partner or legal spouse of eligible employee and dependent children of eligible employee.

This coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.*Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the

Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount. If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process.

* An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.
